Section 1 – Introduction

This directory provides a list of Freedom Value (HMO), Freedom Plus (HMO), Senior Blue 652 (HMO), Senior Blue 699 (HMO), Freedom Basic (PPO), Freedom Valor (PPO), Freedom Nation (PPO), Forever Blue 770 (PPO), Forever Blue 799 Value (PPO), and Forever Blue 799 (PPO)'s network providers. To get detailed information about your health care coverage, please see your Evidence of Coverage (EOC).

From time to time, contract status may change, meaning that a provider's listing in the directory does not guarantee that the provider is still in the network or accepting new patients. If you regularly see a network provider, and that provider's contract is terminated, Freedom Value (HMO), Freedom Plus (HMO), Senior Blue 652 (HMO), Senior Blue 699 (HMO), Freedom Basic (PPO), Freedom Valor (PPO), Freedom Nation (PPO), Forever Blue 770 (PPO), Forever Blue 799 Value (PPO), and Forever Blue 799 (PPO) will notify you in writing regarding your options 30 calendar days before the effective date of the termination.

Freedom Value (HMO), Freedom Plus (HMO), Senior Blue 652 (HMO), and Senior Blue 699 (HMO) members only: You will have to choose one of our network providers who are listed in this directory to be your Primary Care Provider (PCP). The term PCP will be used throughout this directory. Generally, you must get your health care services from your PCP. For all covered care, you may choose to see your PCP or go directly to any network specialist without a referral. You may change your PCP for any reason, at any time by notifying Customer Service at 1-800-329-2792 (TTY users may call 711), Oct. 1 – March 31, 8 a.m. – 8 p.m., seven days a week, and April 1 – Sept. 30, 8 a.m. – 8 p.m., Monday – Friday.

The network providers listed in this directory have agreed to provide you with your health care/vision/dental services. You may go to any of our network providers listed in this directory. If you have been going to one network provider, you are not required to continue to go to that same provider. In some cases, you may get covered services from non-network providers.

We cover certain health care services that you get from non-network providers. These include care for a medical emergency, urgently needed care, renal dialysis (kidney) that you get when you are outside the plan's service area, care that has been approved in advance by Highmark Blue Shield of Northeastern New York, and any services which were covered through an appeals process. You must use plan providers except in emergency or urgent care situations or for out-of-area renal dialysis or other services. If you obtain routine care from out-of-network providers, neither Medicare nor Freedom Value (HMO), Freedom Plus (HMO), Senior Blue 652 (HMO), and Senior Blue 699 (HMO) will be responsible for the costs.

Freedom Basic (PPO), Freedom Valor (PPO), Freedom Nation (PPO), Forever Blue 770 (PPO), Forever Blue 799 Value (PPO), and Forever Blue 799 (PPO) members only: Freedom Basic (PPO), Freedom Valor (PPO), Freedom Nation (PPO), Forever Blue 770 (PPO), Forever Blue 799 Value (PPO), and Forever Blue 799 (PPO) members are encouraged to choose a PCP, but it is not required. You may select any provider from the Primary Care Providers section of this directory as your PCP.

The network providers listed in this directory have agreed to provide you with your health care/vision/dental services. You may go to any of our network providers listed in this directory. If you have been going to one network provider, you are not required to continue to go to that same provider. In some cases, you may get covered services from non-network providers.

Freedom Basic (PPO), Freedom Valor (PPO), Freedom Nation (PPO), Forever Blue 770 (PPO), Forever Blue 799 Value (PPO), and Forever Blue 799 (PPO) members may go to any health care provider of their choice — either in or out of the Highmark Medicare Advantage PPO Network — as long as the provider has not opted out of the Medicare program. If you get a health care service from a network provider, this is known as an in-network service. Eligible in-network services are covered in full except for small copayments or coinsurance for certain services. A health care service you get from non-network provider is known as an out-of-network service. You may use non-network providers to get your covered services, but your out-of-pocket costs may be higher than if you use our network providers. There are special rules for out-of-network services. Certain services that we offer are not covered out-of-network. Also, you do not need to get a referral or prior authorization when you get out-of-network services from non-network providers. However, before getting an out-of-network service, you may want to check with your plan to see if the services you are getting are covered by your plan and are medically necessary.

Out-of-network/non-contracted providers are under no obligation to treat Freedom Basic (PPO), Freedom Valor (PPO), Freedom Nation (PPO), Forever Blue 770 (PPO), Forever Blue 799 Value (PPO), and Forever Blue 799 (PPO) members, except in emergency situations. For a decision about whether we will cover an out-of-network service, we encourage you or your provider to ask us for a pre-service organization determination before you receive the service. Please call our customer service number or see your EOC for more information, including the cost sharing that applies to out-of-network services.

All members: Before you pay any bills you receive from any provider either in or out of the Highmark Medicare Advantage Network, call the Customer Service Department at 1-800-329-2792 (TTY users may call 711) for instructions, Oct. 1 – March 31, 8 a.m. – 8 p.m., seven days a week, and April 1 – Sept. 30, 8 a.m. – 8 p.m., Monday – Friday. Eligible services will be paid by Freedom Value (HMO), Freedom Plus (HMO), Senior Blue 652 (HMO), Senior Blue 699 (HMO), Freedom Basic (PPO), Freedom Valor (PPO), Freedom Nation (PPO), Forever Blue 770 (PPO), Forever Blue 799 Value (PPO), and Forever Blue 799 (PPO). You should never pay any non-network provider more than what the provider is allowed by Medicare. Ask the non-network provider to bill us first. If you have already paid for the covered services, we will reimburse you for our share of the cost. If you get a bill for the services, you can send the bill to us for payment. We will pay your non-network provider for our share of the bill and will let you know what, if anything, you must pay. If you pay for any emergency or urgent care you receive from providers who are not part of the network, request reimbursement by submitting the receipt(s) for care you received to the address listed below:

Highmark Blue Shield of Northeastern New York
PO Box 4208, Buffalo, NY 14240

For emergency care, including post stabilization care, and urgently needed care, your out-of-pocket costs will be the same both in- and out-of-network. For cost-sharing information, see your EOC.

You are covered for such urgent medical needs while you are within or outside the service area. If the Highmark Medicare Advantage Network is not available or accessible due to an unusual event, you are also covered for urgent care you receive from any provider.

Freedom Value (HMO), Freedom Plus (HMO), Senior Blue 652 (HMO), and Senior Blue 699 (HMO) members only: When in the service area you must use network providers for urgent care. When out of the service area, urgent care may be obtained from the first available provider. In addition, when out of the service area you can obtain dialysis treatment from any qualified dialysis provider. You can get prescription drugs shipped to your home through our network mail order delivery program. You may use any network mail order pharmacy listed in this directory to obtain covered prescription drugs.

If you're enrolled in a plan that offers both Preferred and Standard cost-shares (deductibles, coinsurance, or copays) for prescription drugs, your costs for some drugs may be less at a Preferred mail order pharmacy. Preferred pharmacies offer preferred cost-shares and are denoted by the  symbol.

For refills of your mail order prescriptions, you have the option to sign up for an automatic refill program. Under this program, we will start to process your next refill automatically when our records show that you should be close to running out of your drug. We will contact you prior to shipping each refill to make sure you are in need of more medication. You can cancel scheduled refills if you have enough of your medication or if your medication has changed. If you choose not to use the auto refill program, please contact us 21 days before you think the drugs you have on hand will run out to make sure your next order is shipped to you in time. To opt out of the automatic refill program, please contact the mail order pharmacy sending your prescription. The mail order telephone numbers are listed below.

Typically, you should expect to receive your prescription drugs within 14 days from the time that the mail order pharmacy receives the order. If you do not receive your prescription drug(s) within this time, please contact Customer Service. Our contact information can be found on the front cover of this book.
